History's Mysteriesâ€¦One More Headed to the Dustbin

Description

What caused the *RMS Titanic* to sink so quickly?

The gCaptain Blog found something veeerrrryyyy interesting.

Note to those who think they know the â€œfactsâ€• of history today would be well served to know that they canâ€™t possibly know all there is to know on the day things happenedâ€¦

So, you curious mariners, engineers, and just plain curious peopleâ€¦go read how some archives led us to answering the question!
