Technology Tuesday

Description

Moâ€™ better way to skydive â€“ without the planeâ€¦

Wind tunnels keep getting better and better. I was able to get into the one at Ft. Bragg years ago by special invite and to be coached by the Golden Knights (including one of President Bushâ€™s (41) jumpmasters. Video is on a VHS tape around here somewhere.Ã, Yeaâ€¦it was a while ago.

Go and Check out the Paraclete XP siteâ€¦and also watch this video

at MIlitary.com.

default watermark

Trivia: Glenn Bangs was the the commander of the first 82nd Airborne unit to land in Saudi for the very start of Desert Shield (and was the other jumpaster for President Bush).
