Ropeyarn Sunday â€œSea Storiesâ€• and Open Trackbacks

Description

And he said, when the lines were singled: â€œYou did everything Iâ€™d do, but 30 seconds later.â€•

It is a real statement made to me, after morring at Naval Weapons Station, Yorktown, VA for an offload of ordnance.

about 45 minutes earlier, Captain Maixner asked â€œHave you ever taken one (SPRUANCE Class DD) to the pier without tugs?â€•

What brought this stroy back from the memory banks is the current eventsâ€¦of how one can sit and listen to someone for 20+ years, then decide what is being said is depicableâ€¦

default watermark

More laterâ€¦work callsâ€¦butâ€¦it is a good story about life aboard a Navy vesselâ€¦
