Technology Tuesday â€“ Bonus for iPod Users â€“ Part II!

Description

So, the return of (maybe) a normal blogging schedule!

Anyhowâ€¦speaking of the â€œlaw of unintended consequences,â€• some may feel as though their heads will explode, but on the other hand, some will see the device fit for music and pictures has another value with the creation of a new app, BulletFlight

!

Heh!

iPods â€“ now for reaching out and touching with full metal jacket!
