2/25/2011 â€œWRAP Packâ€• CNA and Birthday Celebration

Description

As is the manner of it is to gather every other Saturday AM, last time we met, we celebrated the birthday of two of our members (2 USMC (Ret) Colonels), as well a recognition of the Centennial of Naval Aviation (CNA).

If you have an excellent eye for history, there is some of them in the videoâ€¦..

The creator of the document that became known to me as the â€œEDORMâ€• (Engineering Department Regulation and Organizational Manual) is present,

along with the high time and most traps pilot in the Vought F7U Cutlass. A RA-5C NFO, several P2V/P-3 pilots, three â€œâ€˜Shoes,â€• two Army types from the Vietnam Era, a A-1 pilot with VA-196, and a Navy Cross recipient are all around the table, as well as the two senior Marines, who both flew in WWII.
