What Happened to "Die with your boots on?"

Description

I guess itâ€™s now â€œDie with your hot boxers on, and showing!â€•Ã‚ Yeah, notice he hasnâ€™t got any boots on, either.Ã‚ Whatâ€™s the world coming to? ðŸ™‚

Army Spc. Zachary Boyd of Fort Worth battles the Taliban on Monday in Afghanistan as he wears his Ã¢â‚¬Å“I love NYÃ¢â‚¬Â• boxer shorts. Boyd rushed from his sleeping quarters to join his fellow platoon members.

ThatÃ¢â‚¬â„¢s one mean NY kinda guy in my book! How would feel as a dead Taliban showing up in Paradise saying Ã¢â‚¬Å“Some soldier in his boxers nailed me!Ã¢â‚¬Â•?Ã‚ TheyÃ¢â‚¬â„¢d be laughing at you for the rest of eternity! Ã‚ But, then again, some of those guys wear burkas to avoid being capturedÃ¢â‚¬Â¦

But, if thatÃ¢â‚¬â„¢s now enough to pollute your mind, get some contrast

on those who fight, and those who just get thongs with hopey changy messages on them.

Update 5/14/2009: An interview with his parents!
