Ok, time for a little levity.

Iâ€™m working on a parody of the Oscars (apologies to all the parody masters out there-Iâ€™m a novice-Itâ€™s a work in progress).

Any feedback â€œ much appreciated.

* Backstage at the Oscars Rehearsal *

Producer: â€œFive minutes everybody! Places please! This is a live rehearsal! Camera one â€œ zoom in on Jon!

Jon Stewart: â€œDick? Iâ€™m gonna open with the Bush/Cheney â€œBrokeback Mountainâ€œ joke. Maybe use the â€œCapote & Cheney Huntingâ€œ stuff later? You know, after we have the â€œJumpinâ€œ Jihadâ€œ musical number. What do you think?

Producer: â€œYeah, that works. Donâ€™t forget Rosie Oâ€™Donnell and Nathan Lane are doing the â€œGay Love Stories at the Moviesâ€œ montage right after you. Keep it tight on the monologue. We donâ€™t have a lot of time before the commercial break!

Jon Stewart: â€œRight. Alex Baldwin and Marty Sheen are still doing the â€œSupport the Troops â€œ Vote Democratâ€œ mock PSA? Thatâ€™ll kill! Funny stuff!

Producer: â€œOf course. Camera Two? Make sure you get a good shot of Cindy Sheehan sitting next to Michael Moore during Jonâ€™s monologue! Third joke in, wait for the line â€œBush loves cartoons at the movies!â€œ

Jon Stewart: â€œCindy promised to wear her tee shirt if we showed it. That still a go?

Producer: â€œHell yeah! This isnâ€™t the â€œState of the Unionâ€œ speech, you know. We still have free speech in Hollywood! By the way, make sure you pull all the â€œMohammad â€œ The Musicalâ€œ jokes

Jon Stewart: "I pulled all the Mohammad jokes. No sense offending a respected religion for no reason. We don't need any grief over being insensitive to cultural differences.

Producer: "Absolutely. That's the same reason we dropped Theo Van Gogh from the "In Memoriam" montage. I mean, the guy basically made a hate film. We can't celebrate that.

Jon Stewart: "Not enough fire insurance in the world to mention that guy! Can you imagine?!? They'd burn the theater down!

Producer: "Hell! They'd burn half of Hollywood down!"

Jon Stewart: "Is Redgrave going to hand out the award to "Paradise Now" when Palestine wins for best foreign film?"

Producer: "Who else? She's always supported them. We thought it was a good fit. Should be an interesting acceptance speech, too."

Jon Stewart: "Did the President tape a message for opening credits? Like Clinton did?"

Producer: "The President! Of the Academy!?"

Jon Stewart: "No " the President of the United States. You know, Bush?"

Producer: "Hell no! Will Farrell is doing a really funny impersonation of him we filmed last week. It has Bush trying to figure out what the films are about based on just their titles! It's a scream! He thinks "Crash" is about NASCAR! Our audience will love it!"
