

“EGADS! It Makes the Ganglia Twitch!” Part I

Description

Bizzare, strange and, if it wasn't for the understanding that some people still think like people did in before the Age of Enlightenment, it wouldn't be comprehensible!

[In the UK, the head Islamic Cleric says it's OK to kill gays!](#)

BUT

[Palestinian Gays fleeing to Israel!](#)

Hmmmmmm. There are gays among the Muslims. Figuring out that their enemy will treat them with more respect and most likely save their lives.

If enough Muslims, who are gay, not that there's anything wrong with that, move into Israel, maybe Israel will be saved from extermination!

Just thinkin'!
