Veterans Writing Workshops

Description

Thanks to some professional writers who want to lend a hand.

The Writers Guild of America, East Foundation thinks this is important.Ã, I concur.

Pass it around, you, or someone you know must have stories to tell, that need to be heard.

To the people within the WGAEF who conceived this project, and brought it to fruition, and the Board of the Guild, thank you.

The next workshop is planned for the San Antonio, TX area, with the help of the Wounded Warrior Project to find thosse vets interested.

And, some people we should say thank you to, if we get the opportunity:

> Mentors include: Neena Beber, Andrew Bergman, Jessica Blank, Rick Dresser, Matthew Eck, Peter Hedges, Erik Jensen , Ryan Kelly, Chris Kyle, Richard LaGravenese, John Markus, Marsha Norman, Mark St. Germain, David Tucker, Michael Weller, Michael Winship, Chris Albers, Tom Fontana, Lulie Haddad and Jim V. Hart
